PETITION UNDER 37 C.F.R. 1.137(B) FOR REVIVAL
OF UNINTENTIONALLY ABANDONED PATENT APPLICATION

Hon. Commissioner of Patents
and Trademarks
Washington, D.C. 20231

Sir:

Applicant petitions for revival of the above-identified application which became unintentionally abandoned on November 13, 1992 when a continuation-in-part application was inadvertently filed using a form that included the title "C.I.P. Application Transmittal Under 37 C.F.R. 1.62". The use of such a form was unintentional and an oversight because applicant did not intend to file the continuation-in-part application under the provisions of 37 CFR 1.62 or to effect the abandonment of parent application Ser. No. 07/699,479 filed May 13, 1991. This petition is being filed within one year of the date of abandonment.

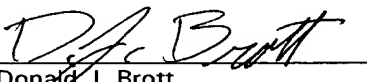

It is respectfully requested that this Petition be acted upon and granted as quickly as possible. This application is under review by the PTO for the purpose of initiating an interference proceeding, and it is respectfully submitted that this review should not be interrupted.

Enclosed herewith is a check in the amount of \$1,170.00 covering the petition fee. Please charge our Deposit Account No. 13-2855 for any additional fee required, or if the above mentioned check is missing or is of an insufficient amount. Any overpayment should be refunded to Marshall, O'Toole, Gerstein, Murray & Bicknell at the address below.

Respectfully submitted,

MARSHALL, O'TOOLE, GERSTEIN,
MURRAY & BICKNELL
